By Ali Tauquer Shelibir

Regional climate risks

We in South Asia are the children of the monsoon, as described by David Iménez in his 2008 book

While governments may not always recognise it, we are bound by an ecosystem that inextricably hissour resilience through shared climate realities from one end of South state to their of the content of the

#### Redrawing maps or fixing governance?

is one of Pakistan nost enduring ques-ions. Should the state bring government closer to the people by carving out new provinces, or by finally empowering local

institution of the constitution but rarely in practice?

Both approaches claim to offer representation, equity and better service delivery. Yet both the constitution of the constitution

Changing bound-aries without consenses

Changing boundaries without consensus
and preparation risks
creating more problems
than it solves.

The Constitution
deliberately makes altering provincial boundaries difficult aboundaries difficult and the solution
to the solution of the aries of the solution
than the sasembly of
the affected province.
The idea is clear Provinces are not just administrative units on a map,
but identities tied to polities, resources and belonging. Shifting them
without care destabilises
the federal balance.

### Indus River swells as flood threat escalates in Sindh

after Punjab devastation

MULTAN, Sept 13 (INP): Flood devasta tion continues to esca late across Punjab and late across Punjab and Sindh, with major rivers breaching embank-ments and displacing millions. Rising waters from the Indus River at Guddu Barrage have now triggered a high-level flood warning, with downstream areas at imnow triggered a high-level flood warning with downstream areas at im-minent risk. The flood-waters are now surgice. The province, which faced catastrophic flooding in 2022, is once again under threat. The Indus River at Guddu Barrage is seeing flows set of 537,000 cusees— classified as a high-level flood. By September 15, extremely high flood to the province of the con-traction of

The flood surge from Head Panjnad has reached Kot Mithan, in-tensifying the crisis in-nearby katcha areas. Although the flow at Head Panjnad has de-creased to 633,000 cueses, it remains at an extremely high flood level. In Ali Pur's katcha region of Malan Wali, residents have been forced to relocate due to encroaching waters.

struction in Jalalpur Pirwala and has now breach in a protective embankment near embankment near Shujabad has allowed floodwaters to advance toward the city, sub-merging dozens of vil-lages and forcing thou-sands to flee their homes.

## China offers help kill nearly 1,000

in Pakistan
ISLAMABAD (INP):
China has offered support to Pakistan in dealing with flood-hit areas, with Beijing's top diplomat in Islamabad expressing condulary.

with Beijing's top diplo-mat in Islamabad ex-pressing condolences over the nearly 1,000 over the nearly 1,000 over the nearly 1,000 over 1,00

agement Authorn, (NDMA).
The disaster has affected more than 5.8 million people nationwide, including 4.2 million in Punjab province.
Around 2.4 million

Authorities said the rains have damaged 8,481 homes—including 2,216 destroyed—and killed more than 6,500 livestock

On Friday, Shi led a Chinese Embassy del-egation to the National Emergencies Operations. Center at NDMA head-quarters, where NDMA Chairman Lt. Gen. Inam Haider Malik briefed him on relief and response efforts.

ts. These included coordination with provincial governments and disaster management authorities, as well as evacuations under the Prime Minister's Relief Assistance programme.

### Hearing on Imran Khan's bail pleas postponed due to judge's leave

RAWALPINDI (IRP). The hearing a fran Amber Khan Nizzi, were also post-arrest hail petitions filed by Pakistan Hence-k-insa (PTI) founder Inran Khan in seven cases related to the November 6 incidents was prosent. Another petition seeking the formation of a medical board to conduct the November 6 incidents was post-poned without proceedings.

The hearing was scheduled in the anti-terrorism court (ATC), but it was adjourned without proceedings as Amjad Ali Shah was son leave. State of the properties of the legal team, including Muhammad Faisal Malik and
